### GENERAL

#### **ski marking and equipment control**

It is not allowed for the competitor to swap his or her skis during competition, the skis will be marked before the start of the race.

Jumping skis should follow the basic FIS rule (146% of the total body height).

The Jury reserves the right to hold equipment control should there be any doubt as to the equipment suitability.

#### **starting order**

The competition will start with the oldest jumpers first working through the age groups to the youngest. The jury will decide the starting gate for each age group.

#### **competition rounds**

All ski jumping events consist of 1 trial round and 2 competition rounds (except for team competition, where there is no trial round). If the final round cannot be concluded due to weather conditions, the competition will be completed with the results of the first round only.
